December 6, 1996

To: Delta Protection Commission
From: Margit Aramburu, Executive Director
Subject: Proposed Revisions to 1997 Meeting Schedule

Proposal:

Under the newly enacted amendments to the Delta Protection Act of 1992, the Commission must meet at least every other month, rather than every month.

The new proposal is to schedule the regular Commission meetings in the **odd** months (January, March, May, July, September, and November).

The **even** month meeting dates would be reserved in case there is a need for a Commission meeting. In addition, Subcommittee meetings would be held in the **even** months.

Recommendation:

The Commission should consider adopting a revised schedule for regular meetings in the **odd** months.
